LEADERSHIP EXPERIENCE

CO-FOUNDER & CHIEF MARKETING OFFICER AT APPLYSPARK *Sep 2026 - Present*
Study Abroad EdTech Startup | Entrepreneurship, Marketing, Leadership

- Co-founded and launched a profitable education platform that streamlines the self-apply study abroad journey through smart progress-tracking tools, a repository of proven application resources, and a network of expert mentors
- Spearheaded brand identity and public relations strategy across social media, growing a Facebook community to 1,000+ followers and driving 200+ account registrations and 50 monthly paying subscribers through targeted campaigns
- Co-designed and built the platform website, translating user needs into core product features

HEAD OF PUBLIC RELATIONS AT MUSIC FOR YOU CLUB (M4U) *Sep 2025 - Sep 2026*
Nguyen Tat Thanh Lower and Upper Secondary School | Leadership, Communication, Marketing

- Led and mentored a 20-member communications team, managing all media and public relations strategy for the club
- Developed content and ticket-sales strategies that grew the club's Facebook following to 15,000 in the first two months of the term and sold out all 300 tickets for the annual concert

WORK EXPERIENCE

RETAIL STRATEGY & MARKET RESEARCH INTERN AT RETAIL WORLD INVESTMENT CONSULTANT LLC *Jun 2026 - Aug 2026*
Vietnam Retail Sector | Market Research, Competitive Benchmarking, Business Analysis

- Researched Vietnam's retail landscape using public industry reports, company disclosures, and retailer websites, organizing findings by topic and source for easy verification
- Built structured competitor benchmarks across assortment, pricing and promotions, store and online channels, customer service, and expansion signals to identify the commercial trade-offs between retail models
- Synthesized research into concise written summaries that separated evidence from interpretation and flagged where public data was insufficient for firm conclusions
- Managed assigned tasks independently in a remote setting through written updates and clear documentation, incorporating feedback into successive versions of my work

PROJECT EXPERIENCE

PROJECT LEADER & WEB DEVELOPER AT VOCATION *Oct 2026 - Present*
AI Career Exploration Platform | Entrepreneurship, Leadership, Web Development

Overview: *An AI-powered career exploration platform that helps Vietnamese high school students discover career paths that fit their interests and strengths*

- Led a 4-member team from initial concept to a complete business plan, setting priorities and keeping the project on track
- Served as the team's web developer, planning the site structure and user flow, then building the Vocation website from the ground up to bring the product concept to life
